

MID-ATLANTIC AFRICAN VIOLET SOCIETY

Collection Award Instruction Sheet

MAAVS Founded March 9, 1991

The following instructions are for your use in including a MAAVS Collection Class in your schedule, and during entries to determine who is eligible to enter MAAVS Collections. It has been updated to include the new AVSA judging standards for Species.

WHAT IS THE MAAVS ROSETTE?

A MAAVS Collection Rosette is provided by the Mid-Atlantic African Violet Society (MAAVS) to **organizations affiliated with MAAVS**, for an exhibit consisting of three African violets of the same type (standard, miniature, semiminiature, trailer [standard, miniature, or semiminiature], or species). **The exhibitor must be a member of MAAVS**, but need not be a member of any other national or regional association. The plants need not be AVSA-registered varieties, but must score at least 90 points when point scored using the *AVSA Handbook for African Violet Growers, Exhibitors, and Judges 2011 Edition*. This rosette alone costs \$5.00. Point Score Sheets are free.

IN THE SCHEDULE -

Include the following in your show schedule class description: "Mid-Atlantic African Violet Society collections of three (3) different, named varieties, all of the same type. Need not be AVSA registered. Open only to members of MAAVS." If you use shorter class descriptions, split the above into sections for the class descriptions and rules, respectively. In the class descriptions include, "MAAVS Collections." In the rules include, "The Mid-Atlantic African Violet Society Collection is an exhibit consisting of three African violets of the same type (standard, miniature, semiminiature, trailer [standard, miniature, or semiminiature], or species). The exhibitor must be a member of MAAVS, but need not be a member of any other national or regional association. The plants need not be AVSA-registered varieties, but must score at least 90 points when point scored using the *AVSA Handbook for African Violet Growers, Exhibitors, and Judges 2011 Edition*"

SPECIAL INSTRUCTIONS -

1. Exhibitors must be members of MAAVS and include their MAAVS member number on the Score Sheet.
2. Collections will be MERIT judged by AVSA Judges using the AVSA Scale of Points (Each plant is judged on its own merits, rather than in competition with another plant or exhibit.) The authority for judging shall be the *AVSA Handbook for African Violet Growers, Exhibitors, and Judges 2011 Edition*, and subsequent changes printed in the *African Violet Magazine*. The decisions of the judges shall be final.
3. Each plant in a collection must score at least 90 points (making it a blue ribbon plant).
4. Use the attached Score Sheets or those printed by the AVSA Entries Program.
5. Please return the completed MAAVS Collection Award Point Score Sheets to me so winners can be listed in next The MAAVS MEMO.
